“Wonder” Magic Show Illusion & Imagination in your City To Support The Rainbow Society of Alberta

ALBERTA, CANADA – the 2nd Annual **Wonder Magic Spectacular 2010** features Canada’s own International Grand Illusionist Ryan Joyce returning as the producer with his world-renowned cast in following cities:

Calgary, Edmonton, Grande Prairie & Fort McMurray

Ryan Joyce is one of the most highly regarded magical entertainers in Canada today. He presents one of the country’s largest and most spectacular grand illusion shows. Hundreds of thousands of astonished spectators travel to packed theatres and auditoriums in over 80 cities nationwide. Ryan is a highly skilled International Award Winning Magician and Showman who successfully uses his charming style to capture the hearts and minds of every member of his audience.

In addition to his demanding touring schedule Ryan provides dynamic, high-energy entertainment solutions for corporate functions, conventions, and fundraising initiatives around the World. His performances have raised nearly a million dollars for charities across the country. Among Ryan's long list of outstanding accomplishments includes a World Premiere Performance along side the Hamilton Philharmonic Orchestra. The Magic of Music was a performance so uniquely creative that it brought the audience of 2,000 leaping to their feet. In 2006 he strived to achieve the impossible by making a car appear in the middle of Persian Gulf in the heart of the Middle East.

An exciting and entertaining family experience, the Magic Show provokes children’s cheer and happy smiles. And what’s more, while enjoying your time together, remember that you are also playing a vital part in contributing to your

community. A portion of the proceeds from the ticket sales will go towards the benefit of **The Rainbow Society of Alberta**, a non-profit registered charity dedicated to fulfilling wishes for Alberta children with chronic or life threatening illness.

The Rainbow Society of Alberta believes that children who suffer a lifetime from a chronic illness should also be entitled to a special wish. It is a sad fact that there are literally hundreds of different types of serious illnesses that can affect children. Since their inception in 1986, The Rainbow Society of Alberta has granted over 800 wishes to Alberta children.
