Become a Dream Maker! This annual celebration of our wish children and their families invites your support in a variety of ways. The basic premise of this event is to invite the general public to get to know this charity by attending the reasonably priced event that provides a variety of entertainment and activities. As well, we enjoy reconnecting with the families of children who have received a wish by inviting them to attend and bring along some friends. Every wish child gets in FREE of charge.

A variety of age appropriate activities are in the planning stage and your help in getting this event off the ground is invaluable. If you cannot get out to the event or attend the meetings, we welcome your support in sharing the finalized event information with colleagues or connecting the Logistics Team with talented local artists who may want to be a part of the DREAM MAKER Family Fair. Your suggestions are appreciated. Donations of prized items are always welcome too! Watch for more information to follow on the News & Events link of our website.
